| <p style="text-align: center;"><b>Maths</b></p> <p>In Maths this term we will spend time focusing on place value. The children will use objects and representations to get to grips with numbers to 10. After this, we'll look at addition and subtraction within 10. Finally, the children will explore shape as they begin to recognise, name and sort 2D and 3D shapes.</p>                                                        | <p style="text-align: center;"><b>English and Phonics</b></p> <p>This term in English we will be focussing on handwriting and GPCs. We will be getting confident with forming letters accurately and recognising lower- and upper-case letters.</p> <p>We will continue using ELS to learn phonics and a new reading book will be sent home each Friday.</p> |                                                                                                                                                                                                                                                                                                                                                                |
| <p style="text-align: center;"><b>Geography</b></p> <p>In Geography this term, we will be learning about our school and the environment around us. The children will become familiar with the human and physical features around our school and how we can use them to direct our way.</p>                                                                                                                                            | <p style="text-align: center;"><b>History</b></p> <p>In Autumn 2, the children will be looking at the Great Fire of London.</p> <p>We will find out how the fire started; why it lasted so long; and how things are different today. We hope to have a visit from the local Fire Fighters and build our own model Puddling Lane.</p>                         |                                                                                                                                                                                                                                                                                                                                                                |
| <p style="text-align: center;"><b>Science</b></p> <p>This term we will be focussing on materials and their properties. We will look at a variety of materials and plan an investigation to see which materials are best when designing a house for the three little pigs. We will sort natural and man-made objects and discuss why materials have certain properties. We will also look at seasonal changes throughout the term.</p> | <p style="text-align: center;"><b>Willow Class Overview</b></p> <div></div> <p style="text-align: center;"><b>Autumn Term</b></p>                                                                                                                                          | <p style="text-align: center;"><b>RE</b></p> <p>In RE we will be learning about what it means to belong in a faith community. The children will learn about Christian ceremonies and symbols.</p> <p>In Autumn 2 we will learn about what Christians believe God is like and why they celebrate Christmas! We can't wait to take part in the KS1 Nativity!</p> |
| <p style="text-align: center;"><b>Art</b></p> <p>This term our artist studies will be on Joan Miro and Janet Bolton. The children will experiment with a range of colours and materials and learn how to print in the style of Joan Miro. In Autumn Term 2 we will create our own drawing pieces based on the Great Fire of London.</p>                                                                                               | <p style="text-align: center;"><b>DT</b></p> <p>In D&amp;T we will be learning about Mechanism – creating our own moving story book as part of our Fairy Tale unit!</p>                                                                                                                                                                                      | <p style="text-align: center;"><b>Music</b></p> <p>In Music we will be listening to musical pieces and singing and appraising them. We will be finding the pulse of music and using instruments to accompany the songs learnt. We will also be preparing songs for our nativity in Autumn 2</p>                                                                |
| <p style="text-align: center;"><b>PE</b></p> <p>This term we will be focusing on core skills which include footwork and coordination. The children will also be creating their own dances. PE sessions will run twice a week.</p> <p>Please ensure that full PE kit is in school at all times.</p>                                                                                                                                    | <p style="text-align: center;"><b>Value</b></p> <p>This term our value is Thankfulness.</p> <p>We will be looking at a number of Bible stories and story books to explore the value further.</p>                                                                                                                                                             | <p style="text-align: center;"><b>Computing</b></p> <p>In computing this term, we will be looking at how to stay safe on the Internet. With a focus on how we can communicate safely online with others and how we can safely find and use information from the internet.</p>                                                                                  |
